## EDUCATION

<b>Minor in Artificial Intelligence</b> , Indian Institute of Technology Ropar	Present-2025
<b>Bachelor of Technology</b> , Computer Science & Engineering G. Narayanamma Institute of Technology & Science for Women, Hyderabad	2020 - 2024 CGPA: 9.04

## SKILLS

<b>Languages</b>	Python, Javascript, SQL, Java, C++
<b>Technologies</b>	React.js, Node.js, Express, Bootstrap, MongoDB. HTML, CSS, Excel
<b>Developer Tools</b>	Git, Postman, Github, Vercel, Render

## EXPERIENCE

<b>Data Analytics Trainee</b>	Sep 2024 - Present
<ul style="list-style-type: none"><li>Applied foundational statistical techniques to uncover patterns in data, contributing to data-driven recommendations for business improvements.</li><li>Assisted in data cleaning and preprocessing, ensuring high-quality datasets that improved analysis accuracy.</li><li>Gained practical experience with data visualization tools to support data-driven decision-making processes.</li></ul>	

## PROJECTS

### StudyNotion - ReactJS, TailwindCSS, MongoDB, Express.js [Link](#) | [GitHub](#)

- Built a ed-tech platform for interactive learning, enabling content creation, consumption, and rating.
- Implemented secure back-end features like JWT authentication, OTP verification, and Razorpay payment integration.
- Designed responsive front-end with React, Redux, and Tailwind, featuring course management and data-driven insights.

### Customer Sales Insights - Excel [Link](#) | [GitHub](#)

- Utilized pivot tables, scorecards, pie charts, and bar charts to visualize key sales metrics, agent performance, and quarterly comparisons, enabling easy data filtering by region and manager.
- Enabled dynamic filtering and quarterly comparisons for real-time insights on top-performing agents and deal trends.

### NxtTrendz - HTML, CSS, ReactJS [Link](#) | [GitHub](#)

- Developed a user-friendly e-commerce platform using ReactJS for a seamless shopping experience.
- Implemented dynamic product display with filtering and sorting options to enhance user engagement.

## ACHIEVEMENTS

- Recognized as Champ of the Week in the SawoLabs Community Champs program.
- Recognized as Google TalentSprint WE'21 Scholar, one of the top 300 out of 27,643 participants.
- Secured First Prize for Best Mini Project
- Semifinalist in TechGig Code Gladiator 2024
- Secretary & Student Coordinator for Indian Society for Technical Education Chapter
- Participated in JPMorgan Code for Good Hackathon
